

Monarch High School

2018 - 19 U.I.P and PL Plan

Improve Student Achievement

IF at Monarch, staff members...

- Prepare all students for careers and college by engaging students via the use of strategies promoting inquiry and critical thinking...
- Continue to engage students in academic conversations through strategies that develop purposeful speaking and listening skills...

Support Student Achievement

IF at Monarch, staff members...

- Continue to establish and promote MOVIBE by building positive classroom communities...
- Continue to ensure student academic success through innovative and inclusive instructional practices, academic support systems, and mindfulness activities...

Professional Learning Focus

IF at Monarch, administration, teachers and staff commit to growing through...

- High-quality professional learning specific to academic discourse/oracy (reciprocal teaching), innovative instructional practices, and the purposeful integration of instructional technology, and...
- Active collaboration via Professional Learning Communities, Committees, and data to form a Multi-Tiered System of Support, and provide differentiation to include interventions and enrichment...

Increase Family Involvement

IF at Monarch, parents and community connections are made through...

- Monarch website, newsletter, and kiosk
- Infinite Campus; updated access to student grades and use of messenger
- Back to School Night and Parent Conferences
- Parent engagement opportunities: SAC, PTSO, Booster Clubs, and other formal/informal groups
- Partnering with BVSD family and community outreach programs
- Student/Parent/Community Surveys
- Communicating in the language that is best accessible for our families

Leadership Development

IF at Monarch, staff members...

- Actively engage in leadership and committee opportunities with a focus on shared decision making and accountability in order to improve student achievement and school climate...

THEN...we will continue to develop our student's greatest abilities and ensure a comprehensive and innovative approach to education that graduates all students as successful, curious, lifelong learners who confidently confront the great challenges of their time.

Monarch Instructional Framework
